# Wedding Packages

## WELCOME TO ALDWORTH

*Thanks for the interest in Aldworth Manor! We hope you and yours are doing well! For 2025/26, we do have options most months.*

*Combining personal hospitality with historic elegance, Aldworth Manor is one of New England's most spectacular and unique exclusive-use wedding venues.*

A hidden gem set atop 180 acres of beautiful New Hampshire wilderness, our lush gardens, wild meadows, unmatched views of Mount Monadnock, and ornate buildings will create a stunning backdrop for your special day. From vows exchanged beneath the magnificent stone archway to tented celebrations under the stars, our historic property offers an array of indoor and outdoor wedding venue options. Our personalized service, on-site catering, bar, lodging packages, and elegant, unpretentious setting are guaranteed to make your wedding day both memorable and distinctive. We know you will love this special place as much as we do.

## THE VENUE

At this time, many of our weddings use the Manor and its gardens, lawns and pavilion during the June–October season for indoor/outdoor celebrations. We provide tables and chairs for up to 150 guests, along with a parking attendant and logistics staff. Some off-season months are also available for full indoor weddings with up to 50–75 guests.

The first floor of Aldworth Manor may be used for formal and informal gatherings, rehearsal dinners, cocktail hours, smaller ceremonies and receptions, etc. This includes beautiful hosting and social rooms, bar, library, four restrooms (including ADA accessibility) and a commercial kitchen. For seated receptions indoors, our seating capacity at dinner tables is 50-75 guests.

Summer/Fall larger weddings do require a tent rental. The tent can be placed on one of the Manor's lawns to accommodate the reception portion of the wedding (150-200 max).

## RATES

## LODGING

*We currently have three large lodging homes on the grounds that accommodate up to 52 nightly guests.*

These homes do have a two night minimum, and the nightly rates are as follows: Lodge \$950, Hemlock \$850, Headmaster's \$750 and Nest \$250, plus tax. Most couples do ask those chosen to stay on-site to help repay lodging costs.

The Lodge building has 11 bedrooms (9 queens, 2 kings) with full kitchen and living areas, along with a separate 2 bedroom (1 king, 1 full) apartment that we call The Nest.

The second home (Hemlock House) has 8 bedrooms (3 kings upstairs with one additional king suite, 4 queens downstairs), is ADA accessible and has large common areas.

The third home (Headmaster's House) has very large living areas, along with a private king suite, and will sleep 10-12 guests.

*In addition to our on-site lodging options, Harrisville has several lakehouse/airbnb options, along with the Harrisville Inn located nearby. For other accommodations, Keene and Peterborough, NH are approximately 10 miles from Aldworth and offer additional hotel and inn options.*

## CATERING

Aldworth does have an in-house catering option that most of our couples select. In-house for the Saturday cocktail hour apps and stations, main course dinner, and dessert/cake service is currently around \$50-80+ per person with all dishes and flatware included. Friday rehearsal dinner/other meals would be less and determined by selections and number of guests.

You are welcome to choose your own vendors and qualified outside caterer as well. Kitchen use for outside caterers does require a separate kitchen rental fee.

Aldworth handles all bar service packages and can customize each based on your drink preferences and length of service.

For the bar, drinks currently range \$6-8 for most beer, \$9-10 for most wine, and \$9-12 for cocktails, and it would just depend on you as to cash/open tab/or limited bar and range of selections. Pricing includes glassware and staff hours, with tax/tip added at the end. (For estimating an open tab, plan on each guest having two drinks the first hour and a drink an hour after that for a group average).

**Check out our [“Eat & Drink”](#) tab on our website for more information and menus. We have some of this year’s packages listed under the catering link on that page.**

We also have a suggested vendor list to help you get started on the other vendor/rentals as well, when needed. The other costs would be your floral, coordinator, photography, tent/rentals, and so forth.

“

“The venue is absolutely stunning and to top it off the host, Shane, is top notch. We spent a year looking for a location and ended up at the Aldworth Manor for its classic and timeless beauty, large and flexible spaces, and ability to provide a sense of comfort and lightness....He is without a doubt one of the best in his industry. What an absolute professional, imaginative, patient, kind, happy, respectful, and understanding host....Thank you Shane for an amazing wedding!!!!”

— KHANH

“

“As soon as guests arrived on our wedding weekend, they fell in love with the Aldworth as quickly as we had, and the best part was having our bridal party stay on property all weekend so we never had to go anywhere and it was the best experience we could have asked for! ‘Thank you’ is not enough for these gracious people and their magical slice of heaven they have created in Harrisville!”

— LAUREN
